The Mental Health Professional in Collaborative Practice

This workshop is available only to **Mental Health Professionals** *who have completed their Interdisciplinary Collaborative Practice Training. Registrants will be social workers, psychologists, or psychotherapists, and a member of their respective college, and/or in compliance with the requirements of their local collaborative practice group.* The training will be experiential, interactive, involving demos, exercises and role-plays. You may register for either Part A or Part B, or both Part A & B.

Part A – (Laurie Stein and Stella Kavoukian) – The Mental Health Professional as Neutral Facilitator in a One Coach Model June 3 & 4 - 12:30pm – 3:30pm EST

- **The choreography of a team case from beginning to end**
- **An exploration of our facilitative role in the collaborative team**
- **The importance of neutrality**
- **Avoiding and addressing impasse**
- **Working with the Team and Client Dynamics**
- **The Critical Debrief**

Part B - (Stella Kavoukian and Laurie Stein) - Parenting Plans Unpacked June 10 & 11 - 12:30pm-3:30pm EST

- **The Structure of a Parenting Plan**
- **Considering children’s developmental needs in the creation of parenting schedules**
- **Role as educator of the needs of children in separation/divorce**
- **The Role of the Child Specialist - Bringing in the voice of the child**
- **The impact of the law on parenting decisions**
- **Structuring communication within the context of conflict**
- **Use of break-out sessions**
- **Focused therapeutic conversations**

Please complete and return the attached registration form to Stella Kavoukian.
Payment will be requested when your registration form has been confirmed.
Enrolment is limited.
